1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of SCE&G.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

It is my understanding that SCE&G has filed for yet another rate increase. This is becoming almost a laughing matter, if it were not so absurd.

I am retired with a fixed income as are most of my friends. All of us have upgraded our homes to be energy efficient, at quite a cost to us. However, SCE&G with its myriad of rate increases over the past few years, has wiped out all savings we could enjoy.

How are those with moderate fixed incomes, those who are unemployed or underemployed and those whose income is minimal to afford these rates? Perhaps, we should all move out of SCE&G's territory and start anew.

As a note, I am a shareholder in SCE&G (SCANA), but my dividends do not equal the rate increases.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)

Yes, if I am in town when the hearing is scheduled, I would love to appear and give testimony.
